The Skyline Story
From a small kitchen in Kastoria, Greece, Nicholas Lambrinides watched his mother prepare authentic Greek dishes. Her recipes were unique, wonderful dishes that brought her family together. Nicholas dreamed of one day bringing these family recipes to America, where he would share them with friends and family. In 1949, his dream came true when he opened a restaurant overlooking the skyline of Cincinnati, Ohio. Since then, Skyline's Cones, Ways and table-side service have been enjoyed by generations. Our entrees continue to be made from Nicholas's original recipes, using his secret blend of spices and the highest quality ingredients. Skyline is dedicated to bringing friends and families together for an experience like no other and we will always be devoted to the American dream of that young man from a small village in Greece.
